Product code: 8809640250200-061FL25575

EAN: 8809640250200

The Neo Flex protective film is made of highly flexible TPU, so curves are not a problem for it. Installation is a breeze, as we apply the coating wet, we do not have to worry about air bubbles or uneven installation.

The film is transparent, perfectly reproduces displayed colors, and does not affect touch sensitivity. The product perfectly protects the valuable screen from scratches and has self-healing properties.

* Spigen Neo Flex HD film is compatible with most cases available on the market.
