

TECH-PROTECT C30W 2-PORT NETWORK CHARGER PD 30W / QC3.0 BLACK

Product code: 9589046926808

EAN: 9589046926808

The universal C30W network charger offers a fast and, above all, safe way to recharge energy in devices such as smartphones, portable consoles, power banks, or tablets.

Equipped with power ports: USB-C (PD30W) and USB-A (QC3.0), it allows charging two devices simultaneously.

The Quick Charge and Power Delivery technologies minimize charging time by rapidly increasing device power, while protective systems safeguard the device against harmful overloads.

The accessory features an intelligent management system that adjusts the optimal voltage for specific equipment.

Your device will receive exactly as much power as it needs to recharge in the shortest time possible, without the simultaneous risk of battery damage.

Its extremely lightweight and compact design means it can fit in any handbag, backpack, or suitcase, allowing you to carry it with you on every trip.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Compatible with smartphones, tablets
- Made from durable materials
- Input voltage range: 100–240V~50/60Hz, 0.8A
- Output voltage: USB-C: 5V/3A, 9V/3A, 12V/2.5A, 15V/2A, 20V/1.5A (30W Max)
- Output voltage: USB-A: 5V/3A, 9V/2A, 12V/1.5A (18W Max)
- Compatible with iOS, Android
- Smart charging
- Compact size

SET INCLUDES:

1 x Tech-Protect C30W network charger
