

TECH-PROTECT ULTRABOOST LIGHTNING CABLE PD 20W / 3A 200CM GREY

Product code: 9490713934111

EAN: 9490713934111

Durable and long-lasting UltraBoost cable from Tech-Protect, which allows you to quickly and, above all, safely charge all devices with a Lightning connector. The cable provides the ability to replenish energy with a power of up to 20W in Power Delivery standard. The fast charging function used does not cause overloads or overheating, and the fire-resistant material additionally protects the accessory during use.

UltraBoost also offers a stable and reliable connection - data transfer at speeds of up to 480MB/s.

Made from high-quality components - a core made of copper wire, aluminum reinforcement at the ends, and a nylon braid that is resistant to bending and breaking. The damage-resistant construction protects the cable from cracking, breaking, abrasion, or other damage that may occur during everyday use.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Precisely made
- Maximum charging current: 3A
- Power Delivery technology: 20W
- Fast charging function
- Has a durable construction
- Connector standard: USB-C / Lightning
