

TECH-PROTECT C65W 3-PORT NETWORK CHARGER PD 65W / QC3.0 WHITE

Product code: 9490713934517

EAN: 9490713934517

The universal Tech-Protect C65W network charger is an excellent solution for quickly and safely renewing energy in various devices such as smartphones, portable consoles, power banks, or tablets.

This charger is equipped with two USB-C ports (PD65W) and one USB-A port (QC3.0), allowing simultaneous charging of three devices. Thanks to Power Delivery technology, the charging time is minimized, and the power of the devices is quickly increased, allowing for fast battery charging. Additionally, protective systems safeguard the device against harmful overloads.

This charger features an intelligent management system that adjusts the optimal voltage to the specific equipment. This way, your device receives exactly as much power as it needs to quickly regain energy while minimizing the risk of battery damage.

The extremely lightweight and compact design of the charger makes it easy to fit into any bag, backpack, or suitcase, meaning you can have it with you on every trip.
