

TECH-PROTECT NC100W-GAN 4-PORT NETWORK CHARGER PD 100W / QC3.0 WHITE

Product code: 9490713934814

EAN: 9490713934814

The Tech-Protect NC100W-GAN 4-port wall charger is a modern device that allows for fast and efficient charging of multiple devices simultaneously. It is equipped with three USB-C ports and one USB-A port.

The applied GaN (gallium nitride) technology offers higher efficiency, faster charging, compact design, and greater safety compared to traditional chargers.

NC100W-GAN provides fast charging with a power of 100W, allowing for rapid charging of most mobile devices such as smartphones, tablets, and laptops. The USB-C ports support the Power Delivery (PD) protocol, enabling intelligent adjustment of the charging power to the connected devices, ensuring optimal conditions for fast and safe charging.

The USB-A port is compatible with Quick Charge 3.0 (QC3.0) technology, allowing for fast charging of devices that support this standard. This means you can charge older smartphones, tablets, and other devices that are not compatible with USB-C without losing efficiency.

PRODUCT FEATURES:

- 100% Original
- Packaged in original packaging
- Small and ergonomic shape
- Intelligent and fast charging
- Input voltage range: 100-240V~50/60Hz 2.0A Max
- USB-C1 output: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A (100W Max)
- USB-C2 output: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A (100W Max)
- USB-C3 output: 5V/3A, 9V/3A, 12V/3A, 15V/3A, 20V/5A (100W Max)
- USB-A output: 5V/3A, 9V/3A, 12V/2.5A, 20V/1.5A (30W Max)
- Compatible with iOS, Android
- Compact size

SET INCLUDES:

1 x Tech-Protect NC100W-GAN Wall Charger
