

TECH-PROTECT ULTRABOOST TYPE-C CABLE PD 100W / 5A 300CM GREY

Product code: 9319456606058

EAN: 9319456606058

Durable and long-lasting UltraBoost cable from Tech-Protect, which allows you to quickly and, above all, safely charge all devices with a USB-C connector. The cable provides the ability to replenish energy even at a power of 100W in Power Delivery standard. The fast charging function does not cause overloads or overheating, and the fire-resistant material used additionally protects the accessory during use.

UltraBoost also offers a stable and reliable connection - data transfer speeds of up to 480MB/sec.

Made from high-quality components - a core made of copper wire, aluminum reinforcement at the ends, and a nylon braid that is resistant to bending and breaking. The damage-resistant construction protects the cable from cracking, breaking, fraying, or other damage that may occur during everyday use.

PRODUCT FEATURES:
