The functional SC Pen case from Tech-Protect will protect your device from damage and scratches. The compact lightweight design is made of high-quality material and flexible TPU with a matte and pleasant finish.

Precisely made cutouts for the camera, ports, and speakers ensure ease of use and high functionality. The case is equipped with a dedicated slot for the stylus, allowing for safe use without the risk of losing it. The foldable case can serve as a stand, and thanks to the wake and sleep option, it helps save battery.

An additional advantage is the magnetic, wireless Bluetooth keyboard, which has a lifespan of up to 140 hours of continuous use.

*After connecting the device, use the appropriate key combination Fn+Q for iOS, Fn+W for Android, or FN+E for Windows.

**The keyboard does not support Polish characters.
