

SZKŁO HARTOWANE HOFI GLASS PRO+ GALAXY TAB A9+ PLUS 11.0 X210 / X215 / X216 CLEAR

Product code: 9319456607772

EAN: 9319456607772

Crystal clear tempered glass that perfectly reproduces displayed colors and does not affect touch sensitivity. It is made of lightweight and milled glass with a thickness of 0.26 mm. It has a surface hardness (resistance level) of 9H, making it extremely resistant to scratches even when in contact with sharp objects (knife, keys). Additionally, it is coated with an oleophobic layer that minimizes fingerprints or other contaminants. Hofi Pro+ perfectly protects the valuable screen during extreme falls. Installation is extremely easy and accessible to every user.

* The glass/film is cut only for the flat part of the display with a protruding structure, according to and based on the die prepared by the manufacturer of the device model itself. Only such cutting of the film/glass will ensure complete compatibility with our protective accessories.

** Due to the various milling of the display edges, after installing the protective film/glass on the screen, a delicate air halo may form around the screen! This is a natural situation and depends on the screen itself.

*** Product photos are for reference; depending on the dimensions, the glass may be packed in a different package.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as you can - you can position it using two strips of tape, sticking them to the side of the device.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Hardness 9H
- Cut to the flat part of the display
- Milled 2.5D edges that feel nice to the touch

- Additional oleophobic layer
- Perfect clarity
- Does not affect touch functionality
- Dimensions: 252x163mm

THE SET INCLUDES:

1 x Hofi Glass Pro+

1 x Installation kit
