- Brand: **Motorola**

### MAGNET HOLSTER

A vertical holster with a side-opening flap protects the phone from scratches and makes it safer in the event of a fall.

The interior of the holster is made of soft material and additionally equipped with a card compartment. The phone holder is made of high-quality TPU, which additionally stabilizes the phone in the holster.

### SPECIFICATIONS

Material: plastic

### PRODUCT FEATURES

It has cutouts for ports and integrated buttons.

Product packed in a bag
