SOLAR PANEL A05 20W

Solar charger, powered by a solar panel with a maximum power of 20W, which allows you to charge devices such as: smartwatch, smartphone, powerbank, iPad, tablet, camera, navigation, etc.

Thanks to its foldable structure, it can be attached, for example, to a backpack and, when exposed to sunlight, charge the device.

The solar panel has variable power depending on the level of sunlight.

Equipped with 2 USB ports.
