The Tech-Protect Scmag Pen case is a functional and elegant solution for tablet users. The product combines stylish design and practicality, making it an ideal choice for both work and everyday use.

It features a compact and lightweight design. Made from high-quality materials, it provides a matte and pleasant-to-touch finish. Thanks to precisely made cutouts, the case allows free access to the camera, ports, and speakers.

The case is equipped with strong magnets that ensure stable attachment of the tablet, as well as a place for the stylus, allowing for safe storage. SCmag allows the tablet to be set in various positions, making it easier to work, browse content, and watch videos. The case can be easily unfolded, serving as a stand.

Additionally, it is equipped with a wake and sleep function, which helps save battery by automatically putting the tablet to sleep when the case is closed and waking it up when opened.

The case comes with a wireless Bluetooth keyboard with backlit keys. It features a long battery life, allowing for up to 80 hours of continuous use. With this solution, the Tech-Protect SCMag Pen case transforms the tablet into a fully functional work tool, enabling comfortable typing.

The Scmag Pen has a built-in touchpad that facilitates navigation on the tablet screen. You can easily scroll through pages, zoom in and out of images, and perform other gestures with it.
