

TECH-PROTECT NYLONMAG APPLE WATCH 8 / 9 / 10 / 11 / SE (40 / 41 / 42 MM) BLACK

Product code: 5906302312870

EAN: 5906302312870

The Tech-Protect Nylonmag strap is an elegant and functional accessory designed specifically for smartwatches. Made from high-quality braided nylon, it ensures durability and comfort while wearing. Lightweight and breathable, it is perfect for everyday use as well as intense workouts.

A distinctive feature is the metal clasp, which allows the strap to be easily and quickly adjusted to the wrist, providing a secure and safe fit.

Its modern design perfectly complements the aesthetics of modern smartwatches, highlighting their elegant appearance and adding a unique character.
