

OSŁONA APARATU SPIGEN OPTIK.TR "EZ FIT" CAMERA PROTECTOR 2- PACK GOOGLE PIXEL 9 PRO CRYSTAL CLEAR

Product code: 8809971233125-AGL08444

EAN: 8809971233125

Tempered glass with a revolutionary installation method - if you have been intimidated by this aspect of using tempered glass, your problems have just been solved! The tempered glass is secured with a perfectly cut mounting frame, allowing you to position the glass perfectly. The manufacturer has simplified the installation process to the point that it is fully intuitive for every user.

Optik tr. is a tempered glass lens cover for the camera from Spigen, providing ideal protection for this part of the device.

The glass fully covers the camera sections and provides protection against scratches and breakage.
