VEN-DENS CAR HOLDER FOR WINDOW AND COCKPIT VD-HD041

Car phone holder for mounting on the windshield or in the cockpit.

Full adjustment of the angle of inclination and the ability to rotate the handle 360 degrees guarantee comfortable and safe operation of the phone.

The product fits most phones available on the market - the arm spacing is from 60 to 95 mm.

The holder automatically adjusts to the width of the phone.

Thanks to the silicone suction cup, it also adapts to the plastic surface of the dashboard.
