

SPIGEN ULTRA HYBRID IPHONE 16 PRO MAX NAVY BLUE

Product code: 8809971229333-ACS07997

EAN: 8809971229333

Spigen Ultra Hybrid is a case that combines the best features of protection and aesthetics, providing your smartphone with both safety and a unique appearance. Thanks to its unique hybrid design (TPU + PC), which combines a durable frame with a transparent panel, your phone retains its original design while being effectively protected from damage. Reinforced corners with air cushions (Air Cushion) effectively absorb shocks, providing additional protection against drops.

Gently raised edges around the screen and camera protect these elements from direct contact with flat surfaces, and precisely made cutouts allow easy access to all ports, buttons, and functions of the device.

Spigen Ultra Hybrid is an excellent choice for those who want to secure their phone without obscuring its natural beauty.
