EAN: 5906302376506

Hofi Hydroflex Pro+ is a crystal clear film that will take care of the aesthetic appearance of your device's screen.

The film is made of durable EPU material, which self-regenerates minor scratches and damages within 24 hours!

The clear and uniform structure perfectly reproduces colors and ensures excellent responsiveness.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a bath - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the film as evenly as possible using the positioning tool and a credit card.
- 4) Remove larger air bubbles using the credit card, and leave smaller bubbles and imperfections; they will absorb themselves within 24-48 hours.
