

SZKŁO HARTOWANE ESR ARMORITE IPHONE 16 PRO BLACK

Product code: 4894240236055

EAN: 4894240236055

A professional screen protection proposal from the ESR brand.

Aarmorite, as it is called, is the perfect combination of super tough and durable tempered glass and an exceptionally simple installation kit - friendly to everyone, even inexperienced users.

The crystal-clear glass provides a flawless image and does not interfere with face ID functionality. Made from high-quality tempered glass, it withstands up to 110 lb of force, which better protects the screen from scratches and damage. Enhanced with a special antibacterial coating that keeps the screen impeccably clean.

An additional advantage is the hassle-free installation of the glass.

ESR Aarmorite is equipped with a special mounting frame and a cleaning kit to further simplify application and eliminate unwanted air bubbles.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the cover as evenly as you can - you can position it using the positioning frame from the set.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.
