

TECH-PROTECT NYLON APPLE WATCH 8 / 9 / 10 / 11 / SE / ULTRA (44 / 45 / 46 / 49 MM) LILAC

Product code: 5906302370818

EAN: 5906302370818

Tech-Protect Nylon is a durable strap made of high-quality nylon. Its design ensures comfort and durability.

Sturdy metal finish allows for easy and secure attachment of the watch. The subdued and universal design fits many styles, both casual and more formal.

Thanks to its flexibility and resistance to damage, Tech-Protect Nylon is the perfect choice for those who value both functionality and aesthetics.
