

SZKŁO HARTOWANE TECH-PROTECT SUPREME SET 3-PACK GALAXY S24 FE CLEAR

Product code: 5906302371495

EAN: 5906302371495

Tech-Protect Supreme is an indispensable protective set that secures the screen and lens of your device during everyday use.

The tempered coating for the display is made from lightweight, milled glass with a thickness of 0.3mm and a hardness level of 9H. The crystal-clear glass ensures image clarity, ideal color saturation reproduction, and does not interfere with touch sensitivity. Additionally, it is coated with a high-quality oleophobic layer that minimizes the amount of fingerprints or other contaminants left behind.

The protective lens cover is made from high-quality tempered glass with a hardness of 9H. Precisely cut, it provides protection against scratches and breakage. A unique advantage is the simple installation, accessible to everyone, even inexperienced users.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - you can reposition it using two strips of tape, sticking them to the side of the device.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Hardness 9H
- Cut to the flat part of the display
- Milled 2.5D edges that feel nice to the touch
- Additional oleophobic layer
- Ideal transparency
- Does not affect touch functionality

- Easy installation
- Dimensions: 156x72mm

SET INCLUDES:

- 2 x Tech-Protect Display Glass
- 1 x Tech-Protect Lens Glass
- 1 x Installation Kit
