

## TECH-PROTECT V8 UNIVERSAL DASHBOARD, AIR VENT & WINDSHIELD CAR MOUNT BLACK

Product code: 5906302371372

EAN: 5906302371372

The Tech-Protect V8 mount is a universal car accessory that provides a convenient and secure way to hold your phone while driving. With the ability to adjust to devices ranging from 53 to 96 mm wide, the mount is compatible with most smartphones available on the market.

Made from durable ABS plastic and soft silicone, it ensures stability and protects the device from scratches. The universal mounting system allows installation on the windshield, dashboard, or – with the included additional tip – on the air vent, making it adaptable to the user's individual needs. The set includes both an arm mount and a clip for the air vent, making it a versatile solution for everyday use.

The Tech-Protect V8 is a practical and reliable accessory that works well both in the city and on longer trips.
