

TECH-PROTECT UB10T ULTRABOOST TYPE-C CABLE PD 240W / QC4.0 100CM BLACK

Product code: 5906302370603

EAN: 5906302370603

Tech-Protect UB10T Ultraboost is a top-class cable designed for demanding users who need reliability and maximum performance. With support for Power Delivery of up to 240W and Quick Charge 4.0 technology, this cable guarantees ultra-fast charging for your devices. Whether you're charging a laptop, tablet, or smartphone, the UB10T provides exceptional efficiency and safety.

The cable is made from high-quality materials, including braided nylon, which not only looks stylish but also protects against mechanical damage and tangling. It supports all devices with a USB-C port, making it an ideal solution for both work and home use. Regardless of the device brand, Tech-Protect UB10T will meet your expectations.

The metal tips with subtle power markings (240W) and the Tech-Protect logo add a modern look, perfectly fitting into stylish and functional tech accessories. By choosing the Tech-Protect UB10T Ultraboost Type-C cable, you receive a reliable, fast, and durable product that meets the needs of even the most demanding users.
