IPAD CLASSIC 2 CASE

The iPad cover, made of high-quality plastic, protects the device from all sides.

Thanks to the use of a cover with the function of waking up and putting the device to sleep, we gain excellent protection and longer battery life.

The foldable cover protects the screen and can also be used as a stand for more convenient use of the device.

It has raised edges, which makes the device better protected.

The close design of the case ensures that the device is protected from all sides.

The interior of the cover is finished with a convex honeycomb to prevent the device from sticking and being damaged.
