

TECH-PROTECT ULTRABOOST DNA TYPE-C CABLE PD 100W / 5A 50CM IRON GREY

Product code: 5906302380817

EAN: 5906302380817

Tech-Protect Ultraboost DNA is a reliable cable designed for speed, durability, and user convenience. With support for Power Delivery technology at 100W and a charging current of up to 5A, it enables rapid charging and data transfer, making it ideal for any situation.

The unique nylon braid protects the cable from mechanical damage and prevents tangling, while the reinforced construction and solid ends guarantee long lifespan even with intensive use. Its functional length makes it perfect for use at home, in the office, and while traveling. Compatible with a wide range of devices equipped with USB-C ports, such as smartphones, tablets, and laptops.

Choose Ultraboost DNA and enjoy fast, safe charging every day.
