

SZKŁO HARTOWANE TECH-PROTECT SUPREME SET 3-PACK GALAXY S25 ULTRA CLEAR

Product code: 5906302322343

EAN: 5906302322343

Tech-Protect Supreme is an indispensable protective set that secures the screen and lens of your device during everyday use.

The tempered glass for the display is made of lightweight and milled glass with a thickness of 0.3mm and a hardness level of 9H. The crystal-clear glass ensures image clarity, perfect color saturation reproduction, and does not interfere with touch sensitivity. Additionally, it is coated with a high-quality oleophobic layer that minimizes the amount of fingerprints or other contaminants left behind.

The protective lens cover is made of high-quality tempered glass with a hardness of 9H. Precisely cut, it provides protection against scratches and breakage.

The set includes installation accessories along with a positioning frame, making installation very easy and accessible to literally anyone.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as you can - you can reposition it using the positioning frame from the set.
- 4) Remove air bubbles by pressing the entire surface in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Hardness 9H
- Cut to the flat part of the display
- Milled 2.5D edges that feel nice to the touch
