

SPIGEN ULTRA HYBRID GALAXY S25+ PLUS FROST BLACK

Product code: 8809971238175-ACS08986

EAN: 8809971238175

Spigen Ultra Hybrid is a case that combines the best features of protection and aesthetics, providing your smartphone with both safety and a unique look. Thanks to its unique hybrid construction (TPU + PC), which combines a durable frame with a transparent panel, your phone retains its original design while being effectively protected from damage. Reinforced corners with Air Cushion technology effectively absorb shocks, providing additional protection against drops.

Gently raised edges around the screen and camera protect these elements from direct contact with flat surfaces, and precisely made cutouts allow easy access to all ports, buttons, and functions of the device.

Spigen Ultra Hybrid is an excellent choice for those who want to secure their phone without obscuring its natural beauty.
