

TECH-PROTECT HB03 HUB ADAPTER 5IN1 TYPE-C + USB2.0 + USB3.0 + RJ45 SPACE GREY

Product code: 5906302360567

EAN: 5906302360567

Tech-Protect HB03 HUB Adapter 5in1 is a compact, multifunctional device suitable for all computers that support USB-C and USB-A ports. With a sturdy construction made of aluminum and ABS, the adapter is lightweight yet resistant to damage and durable. The device is equipped with six ports that offer various functions.

The adapter has two USB-A 2.0 ports that allow data transfer speeds of up to 480 Mb/s, enabling efficient file transfer between devices. One USB-A 3.0 port provides even higher transfer speeds of 5 Gb/s, which is particularly useful for transferring large files such as videos or graphics. The adapter also features a USB-C port intended for data transfer and an RJ45 port that allows you to connect the device to an Ethernet network.

Tech-Protect HB03 HUB Adapter 5in1 is a flexible and versatile device that, thanks to its multifunctionality and efficiency, is an excellent solution for those in need of a reliable adapter for charging and data synchronization.

* The USB-C port is only used as a by-pass for charging the device to which the HUB is connected (laptop, smartphone). It does not support data transmission.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Made of aluminum and ABS
- Adapter dimensions: 108 x 28 x 13 mm
- Cable length: 113 mm
- Input connector: Type-C / USB-A
- 2 x USB-A Port: 2.0 480Mb/s
- 1 x USB-A Port: 3.0 5Gb/s
- 1 x USB-C Port: (data transmission only)
- 1 x Ethernet Port: RJ45

PACKAGE INCLUDES:

1 x Tech-Protect HB03 HUB Adapter 5in1
