

TECH-PROTECT WALLET IPHONE 16E MATTE BLACK

Product code: 5906302360307

EAN: 5906302360307

The Tech-Protect Wallet case made entirely of eco-leather is comfortable and durable to use, while also being elegant, in a classic style and original design.

One of the main features of the case is the stand function, which allows the user to freely watch movies, participate in video calls, or browse content in landscape mode without having to hold the phone in hand. The case provides a stable support for the phone, increasing user comfort.

Additionally, it has a convenient place for documents, credit cards, or cash. This way, you can have all the most important things always with you. A practical and functional solution for those who value comfort and organization.

It is worth noting that the Tech-Protect Wallet case is refined in every detail. The stitching adds a stylish character and simultaneously enhances its durability. Mounted on a base made of TPU, which is a flexible yet durable material, it provides protection for the phone against accidental drops, scratches, and other damages.

The magnetic closure makes closing and opening the case quick and easy, while securely holding the phone inside.
