

TECH-PROTECT MAGFLEX MAGSAFE IPHONE 16E SHINY BLACK

Product code: 5906302360246

EAN: 5906302360246

Tech-Protect MagFlex is a functional case with a colorful frame and a transparent back - it showcases the original beauty of your phone while providing additional protection. The slim design ensures that the phone easily fits in your pocket and does not interfere while texting, gaming, or taking selfies.

Equipped with a magnetic ring compatible with MagSafe accessories, it allows for wireless charging without the need to remove the case from the phone. Now you can enjoy charging anywhere and anytime, without any obstacles.

MagFlex also guarantees comprehensive protection for the camera on your phone. You don't have to worry about damage or scratches on the camera lens. Every photo you take will be clear, sharp, and full of details. Regardless of the conditions you find yourself in, you can be sure that your pictures will always be perfect.
