Product code: 5906302361670

EAN: 5906302361670

Tech-Protect CC03 is a compact and efficient car charger that provides fast and safe charging for mobile devices during travel.

Equipped with two ports – USB-A and USB-C – it supports fast charging technologies Power Delivery (PD) and Quick Charge 3.0 (QC3.0), allowing for instant energy replenishment in smartphones, tablets, and other devices. Thanks to the intelligent energy management system, it automatically adjusts the voltage to the connected device, ensuring optimal and safe charging without the risk of overheating or surges.

The compact design makes the Tech-Protect CC03 fit perfectly into any cigarette lighter socket, and the sturdy, heat-resistant casing guarantees durability and reliability. An ideal choice for those who value speed, safety, and convenience while charging on the go.
