

TECH-PROTECT CC05 2-PORT CAR CHARGER PD 60W + CABLE BLACK

Product code: 5906302361717

EAN: 5906302361717

Tech-Protect CC05 is a compact and efficient car charger that provides fast and safe charging for mobile devices during travel.

Equipped with two ports – USB-A and USB-C – it supports Power Delivery (PD) fast charging technology, allowing for rapid energy replenishment in smartphones, tablets, and other devices. Thanks to the intelligent energy management system, it automatically adjusts the voltage to the connected device, ensuring optimal and safe charging without the risk of overheating or surges.

The set includes an integrated USB-C cable with a power of up to 30W, providing even greater convenience – you don't need to carry an additional cable to charge your device. The spiral design prevents tangling and facilitates storage, while the flexible cable length ranging from 32 cm to 100 cm ensures freedom of use and adaptability to various needs. The durable casing increases resistance to mechanical damage.

The compact design makes the Tech-Protect CC05 fit perfectly into any cigarette lighter socket, and the sturdy, heat-resistant casing guarantees durability and reliability. An ideal choice for those who value speed, safety, and convenience of charging on the go.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Small and ergonomic shape
- Made of aluminum and PC
- USB1-A (18W): 5V/3.0A, 9V/2.0A, 12V/1.5A
- USB2-C (30W): 5.0V/3.0A, 9.0V/3A, 12.0V/2.5A
- USB-C Cable (30W): 5.0V/3.0A, 9.0V/3A, 12.0V/2.5A
- Cable length: 32-100 cm
- Input voltage: 12V-24V
- Intelligent charging
- Dimensions: 61 x 29.6 mm

THE SET INCLUDES:

1 x Tech-Protect CC05 Car Charger
