

OSŁONA APARATU SPIGEN OPTIK PRO GLAS.TR "EZ FIT" CAMERA PROTECTOR 2-PACK GALAXY S25 EDGE BLACK

Product code: 8800283302455-AGL09413

EAN: 8800283302455

Tempered glass with a revolutionary installation method - if you have been intimidated by this aspect of using tempered glass, your problems have just been solved! The tempered glass is secured with a perfectly cut mounting frame, which allows you to position the glass perfectly. The manufacturer has simplified the installation process to the point that it is fully intuitive for every user.

Optik tr. is a tempered glass cover for the camera lens from Spigen, providing ideal protection for this part of the device.

The glass fully covers the camera sections and provides protection against scratches and breakage.
