Product code: 5906302362509

EAN: 5906302362509

Tech-Protect Fluffy is a stylish and functional protective case that effectively protects your laptop from impacts, shocks, and scratches. Made from a pleasant-to-touch material, equipped with a layer of cushioning foam and a soft, plush lining, it provides excellent protection and comfort of use.

The case has two practical pockets – a main compartment for the laptop and an additional, smaller pocket at the front, perfect for accessories, documents, or small items. The whole is complemented by an elegant metal clasp and a discreet Tech-Protect logo, which emphasize the modern and minimalist design.

The slim and lightweight construction does not increase the volume of the device, allowing you to easily fit the case in a backpack, bag, or briefcase. It works great for both everyday use and business trips.

\* Before purchasing, please familiarize yourself with the dimensions of the case.
