

TECH-PROTECT ULTRABOOST AA03 ANGLE ADAPTER TYPE-C GREY

Product code: 5906302367986

EAN: 5906302367986

Tech-Protect UltraBoost AA03 is a compact and extremely functional USB-C angle adapter, designed for maximum convenience and efficiency. Made of durable aluminum, it features an elegant finish and modern design.

The adapter supports the USB4 standard, providing an impressive bandwidth of up to 40 Gbps and power of up to 100W, allowing for fast data transfer, device charging, and high-quality image transmission. The angled design makes the adapter perfect for spaces with limited room, protecting ports from damage and increasing the comfort of using laptops, tablets, or smartphones. USB-C / USB-C connectors guarantee full compatibility with modern devices.

Tech-Protect UltraBoost AA03 is a reliable solution for anyone who values performance, durability, and ergonomics in everyday use.
