

TECH-PROTECT NYLON SLIP APPLE WATCH 8 / 9 / 10 / 11 / SE / ULTRA (44 / 45 / 46 / 49 MM) KHAKI

Product code: 5906302368884

EAN: 5906302368884

The Tech-Protect Nylon Slip strap is a practical and comfortable accessory designed for everyday use – both during sports activities and in daily life. Made from durable and breathable nylon, it provides high wearing comfort and resistance to sweat and moisture.

The strap features a flexible Velcro fastening system that allows for quick adjustment to the wrist without the need to remove the watch. The reinforced construction with precise stitching guarantees durability, while subtle details – such as colorful accents – add a sporty character.
