

SPIGEN SA2403 ANC PRO HEADPHONES BLACK

Product code: 8800283307528-ASD09691

EAN: 8800283307528

The Spigen SA2403 ANC Pro headphones prioritize the highest sound quality and user comfort. With hybrid active noise cancellation (ANC) effective up to 43 dB, they offer exceptional conditions for listening to music, watching movies, or making calls — even in noisy places.

Powerful 40mm dynamic drivers deliver clear, full sound with a distinct acoustic stage and richness of detail, making every song or movie sound impressive. An additional low-latency mode makes them an ideal choice for gamers who expect precise, synchronized audio.

Comfort has also been taken into account, with detachable ear pads for easy cleaning, and the elegant casing fits a minimalist style. The dedicated Spigen Audio App allows you to choose from 5 factory sound profiles and fully customize the equalizer, so you can tailor the sound to your preferences. Up to 60 hours of playback on a single charge ensures that the headphones keep up with you during intense use, even on long trips or busy workdays.

The SA2403 ANC Pro is equipment that combines advanced technology, comfort, and style in one device.
