

SPIGEN EA2205 POWER BANK 5000MAH 22.5W BLACK

Product code: 8809971238533-ABA09022

EAN: 8809971238533

Spigen EA2205 is an extremely compact power bank with a capacity of 5000 mAh that combines mobility with high performance. It supports fast charging at 22.5 W, providing instant energy replenishment for smartphones and other compatible devices. It features an integrated retractable USB-C plug and an additional USB-C socket, allowing for both charging the power bank itself and powering other devices.

Additionally, the device serves as a stand, enhancing comfort while using the phone during charging. The minimalist design allows the EA2205 to easily fit in a pocket, and the sturdy casing in an elegant color ensures durability and a modern look. This is a practical and versatile solution for those who value convenience, speed, and reliability in everyday use.
