

TECH-PROTECT MAGMAT MAGSAFE IPHONE AIR MATTE BLACK

Product code: 5906302319862

EAN: 5906302319862

Stylish and simple design along with a high level of protection are synonyms for the new Magmat MagSafe case from the Tech-Protect brand. The case is made using high-quality TPU and PC components. The flexible frame made of polyurethane material perfectly protects against shocks and drops, while the hard polycarbonate back protects your phone from scratches.

The classic, transparent finish ensures a unique look for your smartphone. The slightly raised form of the case around the camera and screen protects against damage, lifting the phone just above the flat surface.

The Magmat is also equipped with a magnetic ring compatible with the MagSafe wireless charger, providing fast and easy charging.
