

SZKŁO HARTOWANE ESR ULTRAFIT TEMPERED GLASS 2-PACK IPHONE AIR BLACK

Product code: 4894240287743

EAN: 4894240287743

ESR UltraFit Tempered Glass is a high-quality tempered glass that provides reliable screen protection against scratches, impacts, and other mechanical damage. Made from durable materials with a hardness of 9H, it effectively safeguards the display surface without affecting its clarity or touch sensitivity.

Thanks to its ultra-thin design, the glass perfectly adheres to the screen, maintaining natural visual experiences and smooth operation. Rounded edges enhance user comfort, and a special oleophobic coating reduces fingerprints and smudges. Installation is quick and hassle-free thanks to the positioning frame and mounting accessories, ensuring a perfect fit without air bubbles.

Ideal for those seeking discreet yet effective screen protection for everyday use.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Thoroughly clean and degrease the screen surface, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as you can - use the positioning frame from the set for this.
- 4) Remove air bubbles by pressing the entire surface in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- 2.5D beveled edges that feel nice to the touch
- Perfect clarity
- High-quality oleophobic layer
- Easy installation using the frame and installation kit
- Does not affect touch sensitivity
