

SZKŁO HARTOWANE TECH-PROTECT GLASS FIT+ 2-PACK GALAXY S25 FE BLACK

Product code: 5906302332755

EAN: 5906302332755

The Tech-Protect Glass Fit+ tempered glass is a high-quality protective accessory made from lightweight and precisely milled glass with a thickness of just 0.3mm.

The perfectly fitted design fully preserves the sensitivity of the touchscreen. The manufacturer rates its hardness level at 9H on a ten-point scale, which translates to exceptional scratch resistance during everyday use.

The glass features crystal clarity, maintaining the natural colors and sharpness of the display. An additional advantage is the special oleophobic coating that effectively minimizes the accumulation of fingerprints and other contaminants on the surface of the glass, making it easier to keep clean.

* The glass is compatible with most cases available on the market.

** Due to the diverse milling of display edges, a delicate air halo may form around the screen after installing the protective film/glass. This is a natural situation and depends on the milling of the screen in a given unit.

INSTALLATION INSTRUCTIONS:

- 1) Start the installation in the bathroom right after a shower - the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
- 2) Clean and degrease the surface of the screen thoroughly, then polish it to a shine with a dry cloth.
- 3) Install the coating as evenly as possible - you can position it using two small pieces of paper, sticking them to the side of the device.
- 4) Remove air bubbles by pressing down firmly in circular motions for several seconds. Do this so that the adhesive layer bonds with the screen as strongly as possible.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Hardness 9H

- Cut to the flat part of the display
- 2.5D milled edges that feel nice to the touch
- Additional oleophobic layer
- Perfect clarity
- Does not affect touch functionality
- Dimensions: 158 x 73 mm

SET INCLUDES:

2 x Tech-Protect Glass Fit+

2 x Installation kit
