

SZKŁO PRYWATYZUJĄCE RINGKE EASY SLIDE 2-PACK IPHONE 17 PRIVACY

Product code: 8800328811881

EAN: 8800328811881

The high-quality Ringke Easy Slide tempered glass with a privacy filter function is the ideal way to protect the screen from damage while also limiting its visibility to bystanders. The polarizing filter reduces screen visibility at an angle of 28°, and completely reduces it at an angle of 40°.

The glass has a hardness of 9H, which is sufficient for effective screen protection, with high resistance of the glass itself to surface scratches. It is also coated with an oleophobic layer that reduces the degree of leaving fingerprints on the screen.

Additionally, to ensure easy installation, the Easy Slide installation tool is included in the set, making the application of the glass simpler and more precise.

Trust the Ringke brand and its excellent quality!

* The glass is cut only for the flat part with a protruding structure, according to and based on the die prepared by the manufacturer of the specific phone model.

** Due to the various milling, after installing the protective glass on the screen, a slight air halo may appear around the screen. This is a natural situation and depends on the device itself.

INSTALLATION INSTRUCTIONS:

1. Start the installation in the bathroom right after a shower – the steam will absorb all the dust from the atmosphere and it won't interfere with your installation.
2. Clean and degrease the screen surface thoroughly, then polish it to a shine with a dry cloth. Make sure no dust particles remain.
3. Place the frame with the already mounted glass on the phone – it will ensure precise fitting and facilitate application.
4. Pull the starter film to begin the automatic glass application process on the screen.
5. Press the glass in designated places. Do this carefully to ensure the adhesive layer bonds well with the surface.
6. Remove the frame and eliminate any air bubbles by moving your finger in circular motions.

Done! Enjoy the perfectly applied screen protection.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Scratch resistance up to 9H
- Has a polarizing filter
- Has an oleophobic layer
- 2.5D milled edges that feel nice to the touch
- Does not affect touch sensitivity
- Dimensions: mm

SET INCLUDES:

2 x Ringke Easy Slide Privacy Glass

2 x Installation Kit
