

TECH-PROTECT MAGRING MAGSAFE IPHONE AIR BLACK

Product code: 5906302330102

EAN: 5906302330102

The Tech-Protect Magring MagSafe case is an excellent choice for those who value functionality combined with elegance. This lightweight and perfectly fitted case is made of PC, TPU, and an elegant aluminum frame that wraps around the edges of the camera, providing effective protection against damage.

A key feature of the case is the movable ring that can rotate 360 degrees, allowing it to be used in various ways – as a stand for comfortable movie watching, as a finger grip for a more secure hold on the phone, and as a support for the MagSafe function. Thanks to MagSafe properties, it works perfectly with MagSafe accessories such as chargers or magnetic mounts.

The Tech-Protect Magring MagSafe is a stylish and perfectly crafted product that not only protects your phone but also adds a modern look to it. It is a practical solution that will certainly meet the expectations of even the most demanding users.
