

TECH-PROTECT ULTRABOOST MINI JACK EARPHONE CORE G2 WHITE

Product code: 5906302332335

EAN: 5906302332335

The Tech-Protect Ultraboosts Core G2 earphones are the perfect combination of style, functionality, and excellent sound quality. Made from durable ABS and TPE materials, they are lightweight, sturdy, and comfortable for everyday use. With a universal Mini Jack 3.5 mm connector, they are compatible with a wide range of devices – from smartphones and tablets to laptops and consoles, offering a stable connection and clear, dynamic sound.

The frequency range of 20–20 kHz allows you to fully enjoy music – deep bass and clear high tones make every track sound exceptional. The 120 cm long cable provides freedom of movement and comfort in any situation – at work, traveling, or during relaxation. Ergonomically designed earbuds ensure a perfect fit in the ear, translating to comfort even during long listening sessions.

The Tech-Protect Ultraboosts Core G2 is an excellent choice for those looking for reliable, versatile headphones with great sound and a stylish appearance.
