

SPIGEN ULTRA HYBRID IPHONE AIR CRYSTAL CLEAR

Product code: 8800283314410-ACS10309

EAN: 8800283314410

Spigen Ultra Hybrid is a case that combines the best features of protection and aesthetics, providing your smartphone with both safety and a unique look. Thanks to its unique hybrid construction (TPU + PC), which combines a durable frame with a transparent panel, your phone retains its original design while being effectively protected from damage. Reinforced corners with air cushions (Air Cushion) effectively absorb shocks, providing additional protection against falls.

Gently raised edges around the screen and camera protect these elements from direct contact with flat surfaces, and precisely made cutouts allow easy access to all ports, buttons, and functions of the device.

Spigen Ultra Hybrid is an excellent choice for those who want to secure their phone without obscuring its natural beauty.
