

SPIGEN ULTRA HYBRID MAG MAGSAFE IPHONE AIR ZERO ONE BLACK

Product code: 8800283314526-ACS10320

EAN: 8800283314526

Spigen Ultra Hybrid MagSafe is a case that combines the best features of protection and aesthetics, providing your smartphone with both safety and a unique look. Thanks to its unique hybrid design (TPU + PC), which combines a durable frame with a transparent panel. Your phone retains its original design while being effectively protected from damage. Reinforced corners with Air Cushion technology effectively absorb shocks, providing additional protection against drops.

Gently raised edges around the screen and camera protect these elements from direct contact with flat surfaces, and precisely crafted cutouts allow easy access to all ports, buttons, and functions of the device.

The case is equipped with a ring compatible with wireless MagSafe technology. The magnetic ring ensures maximum charging efficiency and a quick and easy connection to all MagSafe-compatible accessories.

Spigen Ultra Hybrid is an excellent choice for those who want to secure their phone without obscuring its natural beauty.
