

SPIGEN LIQUID AIR "T" MAG MAGSAFE IPHONE 16 PRO MATTE BLACK

Product code: 8809971239479-ACS09116

EAN: 8809971239479

The Spigen Liquid Air "T" MagSafe case combines modern design, reliable protection, and full functionality. Made from high-quality flexible TPU material, it ensures durability and resistance to everyday wear and tear. Thanks to Air Cushion technology, the case effectively absorbs shocks and protects the corners of the phone in case of a fall. The raised edges protect the screen and camera from scratches, while the matte, textured surface guarantees a secure, non-slip grip.

The case is equipped with a ring compatible with wireless MagSafe technology. The magnetic ring ensures maximum charging efficiency and a quick and easy connection to all MagSafe-enabled accessories.

Additionally, it features a specially designed protective button that works seamlessly with the camera control function. The button cover is touch-sensitive, providing excellent responsiveness while maintaining full functionality. The Spigen Liquid Air is a stylish, lightweight, and functional case that effectively protects your iPhone without limiting its capabilities.
