

SPIGEN NANO POP NINTENDO SWITCH 2 BLACK SESAME

Product code: 8800283313383-ACS10206

EAN: 8800283313383

Spigen Nano Pop is a modern protective case that combines stylish design with practical solutions. Made from flexible and durable PC material, it provides solid protection against scratches, impacts, and everyday wear while perfectly fitting the shape of the console. The distinctive two-tone appearance refers to the iconic Nano Pop case series known from Spigen products, adding freshness and modernity.

The case does not restrict access to ports, buttons, or slots, allowing you to enjoy full functionality without the need to remove the cover.
