

TECH-PROTECT SM75 UNIVERSAL PHONE HOLSTER POUCH 5.8-6.8 INCH BLACK

Product code: 5906302363520

EAN: 5906302363520

The Tech-Protect SM75 case is a universal phone case made of high-quality eco-leather, which is slightly water-resistant and resistant to everyday use. The soft, cushioning interior protects the device from dust, shocks, scratches, and drops, providing full protection for the phone.

The flap with a magnetic closure prevents accidental ejection of the device while allowing quick and convenient access with a single finger movement. The case features bottom cutouts that allow easy removal of the phone without the need to fully open the cover. Additionally, there is an elastic band/loop on the side for a stylus or pen, making the case even more practical for everyday use.

The case fits most smartphones with a screen diagonal of 5.8 to 6.8 inches. For added convenience, the case is equipped with a metal clip and double loops that allow secure attachment to a belt in a vertical position. The solid construction prevents accidental dropping of the case, making the SM75 a practical and elegant solution for those who value comfort, durability, and protection for their smartphone.

PRODUCT FEATURES:

- 100% Original
- Packed in original packaging
- Made of eco-leather
