

TECH-PROTECT MC03 ULTRABOOST MAGNETIC CHARGING USB CABLE 100CM SAMSUNG GALAXY WATCH BLACK

Product code: 5906302335244

EAN: 5906302335244

The Tech-Protect MC03 Ultrabost is a high-quality charging cable designed specifically for Samsung Galaxy Watch devices. Equipped with a magnetic connector, it allows for convenient and stable charging of the smartwatch, ensuring user comfort.

The cable is 100 cm long, providing adequate flexibility and freedom of use. With a USB-A connector, it is compatible with many modern devices, and its durable ABS casing ensures longevity and resistance to damage.

Its compact dimensions make the charger extremely portable – you can easily fit it in your bag or pocket, making it the perfect companion for both everyday use and travel. Simple operation allows you to start charging in no time – just place the Galaxy Watch on the charging surface, and the charging process will begin automatically.

Choose the Tech-Protect MC03 UltraBoost and enjoy the convenience of wireless charging whenever you need it – at home, in the office, or on the go!
