SPIGEN GEARLOCK MS100 HANDLEBAR BIKE MOUNT

Product code: 8809613765557-000MP25057

EAN: 8809613765557

The Gearlock MS100 from Spigen is a mount attached to the bridge, handlebar stem, it is ultra-light due to the use of carbon glass and very discreet, so it does not disrupt the aerodynamics of our bike.

The set also includes the Gearlock AU100, which is a universal adapter that can be used for any mobile device - thanks to the use of double-sided 3M VHB (Very High Bond) adhesive tape with high bonding strength and temperature resistance, it can be attached to any smartphone or even a case.
