The lightweight yet exceptionally durable SmartCase Pen has been designed for comprehensive protection of the device and maximum user convenience. The solid, precisely fitted construction adheres perfectly to the casing, providing stability, safety, and effective protection against scratches and mechanical damage.

The matte finish gives the case an elegant, modern look while minimizing the visibility of fingerprints and dirt - ensuring the device always looks aesthetically pleasing.

The SmartCase Pen combines protection and functionality. The case can easily be transformed into a practical stand, ideal for watching movies and video calls, as well as for comfortable writing or drawing. An additional advantage is the dedicated space for the stylus, which allows for safe storage and constant access - always where you need it.

Additionally, the SmartCase is equipped with an intelligent automatic wake and sleep function - the case responds to the opening and closing of the cover, providing user convenience and energy savings.
